

Appendix A: In School Response to COVID-19

It is important now more than ever, that we hold fast to our core values of Aspiration, Success and Kindness as we navigate through this uncertain period. As a school community we must look after each other to ensure that our school is a safe and secure environment. The following Behaviour Code is in addition to our 'Behaviour for Learning' Policy, but is still anchored in our simple approach of students being **Ready, Respectful & Safe**. Staff will continue to use the C1-C4 system as outlined in the school's Behaviour for Learning Policy. The school will also assert its duty to support good behaviour outside of the school grounds, as outlined in the aforementioned policy.

Arrival or Departure from School

- Remember to socially distance when you walk to and from school by keeping 2m away from other people. You should only walk with one other person, not in a group.

Hygiene

- Wash your hands regularly for at least 20 seconds with soap and hot water.
- Wash your hands on arrival to school, between lessons and before you eat or drink, as per your timetable.
- If you cannot wash your hands with soap & water use hand sanitiser.
- Only use the toilets and hand washing facilities allocated to your group according to your timetable.
- If you sneeze or cough, please use a tissue and dispose of it in a bin. Remember 'catch it, bin it, kill it' and avoid touching your mouth, nose and eyes with your hands
- You must not share equipment or any other items, such as drinking bottles.

Socialising with Friends

- You are only allowed to socialise in your 'pod'; this includes at break time and lunchtime.
- Walking home from school you must follow the government guidelines: maintaining social distancing, and ensuring you do not gather in groups of more than two, except with members of your household

Movement Around the School

- Stay in your 'Pod' at all times. If you do need to move around the site, adhere to the one-way systems or floor markers and follow the instructions on your timetable.
- If there are markers on the floor to support queuing, please use them.

Sneezing & Coughing

- Do not cough or spit at or towards another person. If either of these occur we will deal with them as a serious breach of the school's Behaviour for Learning Policy.

Above all Stay Safe, Be Kind
